Fellow Oregon FFA members,

We all remember the moment when we first zipped up our blue jacket. New opportunities awaited. Looking back now, we see just how far we have come. For me, FFA allowed me to become the most outgoing, independent, and dedicated version of myself. I have watched myself, as well as others grow throughout their experiences that FFA has brought them. FFA has changed our lives for the better.

You have the opportunity to make an impact. Whether it's striking up a random conversation with a stranger or inspiring others through your actions. Each and every one of us has the infinite ability to change a life and create a lasting legacy. The organization has given you and myself the knowledge, skills, and experience to influence, take a stand and make a difference. We are the future leaders of our generation. FFA teaches us to stand up for what we believe in. The organization values passion and diligence in the face of adversity. Gandhi told us, "Be the change you want to see in the world." Change tomorrow starts today, with you and me.

It starts with zipping up our blue jackets and facing the world together.

Oregon FFA, who is ready to make an impact? I want the opportunity to stand with you and make a difference, and that's why, with great pleasure I'm announcing my candidacy to become a part of your 2016-2017 Oregon FFA State Officer Team. I look forward to meeting each and every one of you at the 2016 Oregon FFA State Convention in Corvallis this March.

Best Regards,

Erin C. Bush  
2015- 2016 Crook County FFA President  
2015- 2016 Central Oregon District Vice-President
