Oregon FFA,

What is perfection? Is perfection the runway model on the front cover of a magazine or having the best market animal? Everybody has that picture of the "ideal image" in their minds, but what does that even mean? Perfection itself is flawed. People find perfection in imperfections; the kink in the puppy's ear makes it adorably perfect, but isn't that kink an imperfection? What goes on in the human mind?! You don't have to "be perfect" to be perfect. Be real and be all of yourself because if you strive for perfection you're always going to fall short. Whereas if you strive to always be yourself and work as hard as you can, you will never disappoint. "We are born to be real, not perfect." We are born to do our best, not be the best. You do not need to have the perfect FFA track record to be successful in FFA, I sure don't. I've only been in FFA for three years! I would love to show each and every FFA member and potential FFA member that everyone can succeed and have individual perfection in all they do. Why try to make a fish climb a tree when it's meant to do something different? Oregon FFA I am overjoyed to announce my candidacy for your 2016-2017 Oregon FFA State Officer team! I look forward to celebrating everyone's successes, finding your potential and seeing perfect imperfections.

See you all in Corvallis,

*"We are born to be real, not perfect"
