Fellow FFA Members,

What did I get myself into? My hands are shaking, my knees are knocking, and I am supposed to be delivering my speech. All I can think to do is smile and breathe. My first public speaking contest shot my head through the roof and my heart through my chest. I watched as the judges took notes and I worried if I was using enough hand movements. My failure was imminent. Name after name was called by the District Officers and I was sure that I didn't even get third place. But when my name was called, I jumped on that stage in front of my entire district to collect my blue banner. After that dreadful waiting all my worries started to disappear, just as they are now.

Oregon FFA, *I* don't want to make a difference, I want **us** to make a difference. We are powerful with the ability to make a change for the better. We are an organization strong enough to make an impact on the lives of those around us. So please, stand with me so we can do what we can, with what we have, where we are, because the impact starts with us.

Stand with me, as I announce my candidacy for the Oregon FFA State Officer team, so we can make a difference.

Megan Camarena  
Prairie City Chapter President  
Strawberry Mt. District Vice President

## The FFA Mission

---

FFA makes a positive difference in the lives of students by developing their potential for **premier leadership, personal growth, and career success** through agricultural education.
