2014-2015 Hillsboro FFA Chapter President

2014-2015 Northwest FFA District President

Unique

I stand up for what I believe and advocate for things, like the amazing FFA Organization, that will make a true difference. I am not afraid to look different, or be different, as long as I am being true to myself and true to those organizations that I support and represent.

Magical

The best word to describe my experience in FFA. I feel like FFA was my fairy godmother who transformed the quiet and shy person that I was, into the leader I am today! I wear the Blue and Gold with happiness and pride, just as Cinderella wore her fancy gown and glass slippers! I know every day when the clock strikes Midnight I am safe though, because this transformation is everlasting! The experiences I have had, the lessons I have learned, and the memories I have made have been life changing!

Meaningful

This is how I want my life to be. I want the things I do, the people I touch and touch me, and the goals I set and achieve, to be meaningful. I believe if they are not, then there was no reason for them; therefore, they would be time wasted that could have been better spent.

Inspirational

FFA has inspired me to be a better person, to take chances, to set and achieve goals, and to make a difference today to make a better tomorrow. I hope to share that with others and inspire them to do the same! State Officers have been a key to my inspiration, which is one of the main reasons I would be honored to be on the 2015-2016 Oregon State Officer Team and be able to inspire FFA members throughout our state and beyond. If everyone today was inspired to make a difference, tomorrow could be AMAZING!

Touched

This is how I feel to be given the opportunity to run for an Oregon State FFA Office. Win or lose, what an amazing life changing opportunity this will be! I would be an honor to serve on the 2015-2016 Oregon State Officer Team bringing the utmost highest levels of honesty, leadership, teamwork, and dedication possible!

Oregon FFA, are you ready to have a **UNIQUE, MAGICAL, MEANINGFUL, INSPIRATIONAL, and TOUCHED** year to reach your **SUMMIT?**

Sincerely,

Stephanie Breazile
