

The National FFA Organization

February 1, 2017

Dear Oregon FFA Members,

For many of us, some of our greatest memories occur summer, but the summer of 2013 for me was one I'd like to forget more than remember. Just think about starting high school that fall would send a shiver down my spine. I was nervous what would happen to me that upcoming year. Would I lose people who had been my friends, or would I find that group of people to just "fit in" with? Yeah I'd want to forget that summer, well up until county fair, when I zipped up that blue corduroy for the first time.

I have been so lucky to have so many phenomenal experiences throughout my FFA career. One of my favorite things I've been able to learn about in FFA is how members got started in the organization. Whether they come from a farming family or their advisors persuaded them to join, each and every FFA member's story is different, yet so interesting. FFA provides a launch pad for so many students across our state to learn life skills that many of us would not learn until later in our life. We are the future teachers, business owners, and leaders of our great nation. I hope to be able to be there and help every FFA member in our state grow to their potential.

Throughout all the organizations that I have been part of in my life, nothing has meant more to me than FFA. This organization has developed a love and passion of agriculture that will stay with me throughout the rest of my life. I want to do whatever it takes to help Oregon FFA thrive and grow; because of this I am excited to announce my candidacy for the 2017-2018 State Officer team! I have learned through FFA that no matter what challenges lay ahead in the journey we call life, no obstacle is too big for us to overcome. I am so thrilled to see what lies ahead for our state and to see you all in Redmond of the 2017 Oregon FFA State Convention!

Sincerely,

Del DeAngelis
