

# Scio FFA Chapter

2016

38880 North Main Street, Scio, OR 97374

Dear Oregon FFA Members,

As a kid, every morning before school and most afternoons after dinner, I would watch my favorite shows on TV. In between each showing there were commercials of what I thought were the coolest toys ever. I would do whatever I could to somehow convince my parents that I needed that toy. I would save up coins I found around my house, make some pretty convincing posters to help my case in the matter, or just preach my word about the super crazy toy I wanted. Sometimes I achieved this goal I but other times my parents were not having it. Whether or not I got it, I always tried my hardest to make all my dreams come true.

Fast forward to my freshman year of high school, the year I went to my very first State Convention at OSU. I loved going to sessions and seeing all the blue jackets throughout Corvallis. I made a goal for myself while sitting in the auditorium; I knew that one day I would stand on that stage myself. It could be receiving my State Degree, achieving a proficiency after hours of hard work, or maybe even one day, walking up there as a state officer. Since then, I've done more on that stage than I could ever imagine, like when I achieved scholarship to spend the best week of my life attending the Washington Leadership Conference or during CDE days walking up to the stage with a top 4 team, I achieved my goal of walking on that stage.

I could say that my hard work has really paid off so far. I have been able to meet so many new people across the nation and have learned an insane amount of new things ranging from how to run a meeting to how to look for the best qualities in dairy cattle. More than anything, FFA has shaped me into the person I am today, and I am positive that is a statement that all members can agree with. As I continue my FFA journey, I am certain that running for State Office will be one of my greatest FFA experiences. I am so excited to meet all of you as we kick off State Convention. Now let us all enlighten goals and illuminate State Convention with the light within.

Sincerely,

Faith Wilson  
2015-2016 Chapter Treasurer  
2016 State Officer Candidate
