Greetings Oregon FFA,

Your knees are shaking, heart pounding with excitement; your hands are cold and sweaty. The lights ricochet off the red drape in front of you and you look at your feet, hoping they remember what they have practiced so many times before. You take a deep breath. The curtains begin to open slowly and you look out. With every foot the curtain moves, your heart beats faster and faster. You smile, as the audience stays still. The music starts, your heart begins to dance to the beat of the music. You lift your right foot, brace for the progress which will soon conspire, and begin to perform what would be, the performance of a lifetime.

Everyday has the potential to be the performance of a lifetime. We were all born with the potential to make meaningful and fulfilling achievements. Life is like a performance, we make choices everyday that determine how successful we will be. The crowd is watching every move we make, waiting to watch us succeed as an organization.

Oregon FFA, I challenge you to make this year, 2012-2013 the performance of a lifetime! It is our choice to get up on the stage of success! Get up and make every step a step towards improvement for the future of agriculture, and the future of our FFA organization! Oregon FFA, the audience is watching! What will be your next move?

It is with great honor that I declare my candidacy for the 2012-2013 Oregon FFA state officer team! I will take the stage with the organization as we strive to make an impact with every step we make!

Sincerely,

*Kraelyn Walker*
