Dear Oregon FFA:

A guide for the lost, a pathway to safety, and a light in the midst of a dark night; the lighthouse. In a fierce stormy night, the lighthouse never fails us, always shining brightly to illuminate and make a pathway to safety for all. The light provided by the lighthouse guides both the lost and those arriving home. Just as the lighthouse serves as a guide I, Sammi Brentano, want to serve as a guide for you, the FFA members of Oregon.

I want to be a leader for you as well as a partner, directing you onto the right path, helping you to find yourself and become a better FFA member, as well as a better person. In guiding you to become a better member, it would put you onto the path to success in both FFA and in the world around you.

If I were elected into office, I would do my best to serve as a guide for all. Helping those on the right path and those who are completely lost to discover who they are and help them to become who they want to be. I have developed a passion for FFA over the four years that I have been actively involved in it. Just as a lighthouse shares its light, I want to be given the opportunity to share my passion for FFA with you; help you discover your own passion for the organization. Along with having a strong passion for FFA, I love to have fun and would bring my enthusiasm and outgoing personality to make every activity its best. FFA has taught me many life skills and helped me to grow as both a person and an FFA member. Through FFA, I have learned that to achieve success, you must have confidence in yourself, persevere, and recognize the opportunity presented to you. I want to help you find out what you're good at in FFA, find your own passion for the organization, and help assist you in finding both yourself and becoming a better person.

Sincerely,

Sammi Brentano
