

2020 Oregon FFA Proficiency Winners

Created: 03/2020

PROFICIENCY DETAILS

Agricultural Proficiency Awards honor FFA members who, through supervised agricultural experiences, have developed specialized skills that they can apply toward their future careers.

Students can compete for awards in nearly 50 areas ranging from agricultural communications to wildlife management (see areas below) that are exploring and becoming established in agricultural career pathways.

ENTREPRENEURSHIP

Supervised Agricultural Experiences related to the ownership of an agribusiness or agriculture-related enterprise. The member plans, implements, operates and assumes financial risks of ownership

PLACEMENT

Supervised agricultural experiences that include non-ownership, agriculturally-related paid or unpaid employment and/or volunteer work.

COMBINED

Award area for supervised agricultural experiences that are not split between entrepreneurship or placement. Applicants can combine both placement and entrepreneurship records if both are included in the SAE.

AGRISCIENCE RESEARCH

Supervised agricultural experiences that involve planning and conducting an agriculturally based scientific experiment based on hypothesis and the use of the scientific methods of investigation on the hypothesis.
