

North Clackamas FFA Chapter 13021 SE Hubbard Rd, Clackamas, OR 97015

Dear Oregon FFA,

Let's all go back to our childhood. Think about what you loved most and what helped make you... YOU. All throughout my childhood what helped make me who I am was art. Whether it was using my brand new crayons in a coloring book, spending hours sculpting something out of clay, or my personal favorite, painting. There's no better feeling to me than a fresh blank canvas ready to be painted. With the right colors and tools I am able to create something unique. Now, I wouldn't compare my work to the great Van Gogh, or Picasso, but I am able to use my energy to create something beautiful.

I'm sure we may not all consider ourselves to be artists, but just like artists we all have that opportunity to be the person that makes others feel like they belong. Whether that is bringing them into a group, inviting them to a CDE practice or just being the person they can come to talk to. The blue corduroy jacket is a blank canvas ready to take on all the successes, mistakes, and long days along our journey. This organization has filled my canvas with memories that I will forever cherish. It has taught me to be that person who makes everybody feel like somebody. Our time in FFA is a journey of quite literally thousands of miles. This jacket is with us through the good and the bad, and reminds us that we are part of something so much bigger when we zip it up.

Oregon FFA, I am so pleased to announce my candidacy for a position on the 2020-2021 state officer team. I whole-heartedly believe that this organization is full of artists ready to paint their canvases. Just remember, your picture might not be perfect, the lines may be uneven, colors might not be bright enough, but in the end it all creates an incredible picture.

Once your time in this jacket is complete, don't stop creating; your masterpiece is just the beginning. Oregon FFA, let's start our masterpiece.

Sincerely,

Erika Bergstrom

North Clackamas Chapter Secretary
