**Student Eligibility Requirements for all scholarships:**

1. Must be an Oregon resident and have or plan to graduate from an Oregon high school.
2. Must be a United States citizen or eligible non-citizen.
3. Must be a current member of the Oregon FFA Association.

All scholarships are offered from the listed sponsors. Scholarships could change due to sponsor requests. Please review the requirements of each sponsor. **Finalists will be notified by March 10, 2020**, and scheduled for an interview at the State Convention by the Oregon FFA Association. Winners of all scholarships will be announced at the State Convention.

All scholarships are in the form of cash awards. Recipients of awards must enroll as full time students in a school within 12 months after the date the scholarship was awarded. The only exception will be if the winner is elected to a State or National FFA Office. The recipient will then be allowed to reserve the scholarship until the fall term of school after the term of office is completed. Recipients of awards must provide a copy of their class schedule for their term(s) in school. This documents that the recipient is meeting the requirements of the scholarship. Upon receipt of the class schedule, the sponsor or appropriate foundation will send a check for the amount of scholarship for that school term/year to the institution as specified in the requirements.

## H.H. GIBSON MEMORIAL SCHOLARSHIP

<p><b>Purpose</b></p>	<p>Professor Gibson was the Head of the Agricultural Education Department of Oregon Agricultural College from 1920 to 1953, and was a leader in the initiation of the Agricultural Education program as it stands today. Some of his accomplishments during his many years of service include the following: In 1928 Professor Gibson organized evening classes for young farmers to provide teaching facilities for students in Agricultural Education. In 1936 he developed a program of instructional material for teacher in-service use when teaching different areas of agricultural production. In 1938 the U.S. Office of Education appointed Professor Gibson to a committee, which reviewed teacher training objectives in Vocational Education in Agriculture. In 1939, the Department of Agricultural Education and the State Department of Vocational Education developed the first student teaching program. This program was the forerunner of the student teaching program, as it is known today. Professor Gibson was strongly involved with young farmers and teacher in-service, as well as students in Agricultural Education. He became well known in other states, especially in Arizona and Hawaii. The family of Professor Gibson initiated the H. H. Gibson Memorial Scholarship in 1960 to encourage students of Vocational Agriculture to further their training in an agriculture curriculum of their choice.</p>
<p><b>Criteria</b></p>	<ul style="list-style-type: none"> <li>◆ The agriculture scholarships will be granted to applicants who have completed the agriculture education program in their high school and rank in the upper one-third (1/3) of their graduating class.</li> <li>◆ Applicants must further their training in an agriculture curriculum at Oregon State University.</li> </ul>
