

NEWBERG
FFA CHAPTER

2400 E Douglas Ave
 Newberg, OR 97132

Dear Oregon FFA Members,

“I’m proud of you!”, “You can do it!”, “You matter!” These are all things I can guarantee that you have been told in your life, whether it’s been a family member, a friend or someone you just met. They are words of INSPIRATION. We all need to be inspired; to be confident, to take that next step, and to know that someone believes in us.

My first FFA advisor was an inspiration to all. She motivated me to become better in many areas, she encouraged me to push myself out of my comfort zone and always offered words of inspiration some as simple as “You got this!” and other times one of her amazing dance moves to make me laugh before a competition. Anyone can be an inspiration to others. I feel I am most **inspiring** to people when I teach them.

Someone once told me “when we inspire someone we are making that ten feet around us a better place”. If we each inspire someone we can not only make the ten feet around us better but also the world. Now that might seem big, but “go big or go home”, right?

We are not going home, instead stand with me and make **the ten feet around us** at the 2020 State FFA Convention a better place. It is with great honor and excitement that I announce my candidacy for the 2020 -2021 State Officer team.

Sincerely,

Kayla Boyd
