

PENDLETON FFA CHAPTER

1800 NW Carden Ave, Pendleton, OR 97801 || (541) 966-3800

Oregon FFA,

Each and every one of us are in such a unique situation. We've found ourselves a part of something that unites us all as one organization, one family, and one voice that allows us to advocate for an industry to which we all have a connection. Yet at the same time, this organization gives us the chance to stand as passionate individuals with a strong voice that will influence this generation.

Each and every member has the ability to become a leader. There are those that naturally have a strong ability to command everyone's attention, but there are also those that have a quiet demeanor about them, yet have the amazing ability to build strong connections with others. The cool thing is, that no matter if you're quiet or loud, shy or outgoing, you have a place in the FFA. Your voice and your passion can still flourish and make such a strong impact on others! That simple fact is what made me love this organization so much more. I was that naturally shy person. Someone who had such a passion for agriculture and such a strong opinion, and yet didn't have the confidence to express it. In my case, it was the public speaking competitions that allowed me to find a confident voice. But even if public speaking isn't your thing, I truly believe that through FFA, each and every one of us can find our own voice, and whether its quiet or loud, it WILL make an impact!

As we head into the 2020 Oregon FFA State Convention, let's use it to find our voice as we make valuable friendships, compete in our state CDE's/LDE's and celebrate our accomplishments from this past year! Oregon FFA members, whether it's your first time zipping up that jacket, or possibly one of the last, cherish each and every memory you make and person you meet. Hopefully the time to retire my jacket isn't here just yet and I'll have the chance to help each and every one of you find your voice as part of the 2020-2021 Oregon FFA State Officer Team!

Sincerely,

Macy Rosselle

Macy Rosselle
Pendleton FFA Chapter President
Blue Mountain FFA District Secretary

"Find your Voice.

Stand behind it.

Change the World."

Freshman (2016-2017)
