Dear Oregon FFA,

Do you ever wonder what if? What if the grass wasn't green, what if the sun didn't shine, what if sky was purple instead of blue, and one of my least favorites, what if I fail? Oregon FFA I am here to ask you the biggest "what if" of all: **What if we don't!**? A wise man once told me, "You will never know if you can cross the finish line, if you don't first step over the starting line." If you don't TRY, you will never succeed.

FFA taught me to stop asking "what if", and instead start asking when? Every fire grows from one single spark. Before I bought into FFA, I never thought it be the kindling that fueled my fire. When the "what ifs" stopped and my spark was lit, FFA fueled it by adding leadership, passion, purpose, friendship, and fun. Now is the time to stop asking "what if" and build an inferno, so we can spend this next year setting this organization on fire!

Let's face our "what ifs" together at the 2013 Oregon FFA State Convention. The finish line is in sight and our year is coming to an end. The time for new beginnings has come, there are new races to be won, together we can light up the next year for Oregon FFA. It is with much humility, purpose, and excitement that I announce my candidacy for the 2013-2014 Oregon FFA State Officer team!

Sincerely Yours,

Megan A. Lane

Success is never the result of spontaneous combustion you must first set yourself on fire!
