

Dear Oregon FFA,

Oregon FFA, the challenge I give you is to **define yourself**. I know we all have had those moments where we buy the same shoes, the same brand, or even get the same haircut just so we could impress others. But why? Why waste time impressing others, just to be able to say you are a part of a group. You are more than what people say you are, you are who you choose to be and you can accomplish what you set your mind to. These are all lessons I have learned on my journey through FFA.

Sometimes we find that if we just put on a front and not reveal our true selves we will fit in better, but is that really worth it? My journey in life so far has been to **define myself**; finding out who I am, and what my passions in life are. Life's journey isn't always smooth, and I have had no exception to that rule. I look forward to the 2013 Oregon FFA State Convention where we can connect and share our passions on life. FFA has helped me **define myself**, and I hope together we can make that a reality for all FFA members statewide.

Oregon FFA I dare you to find your passion and **define YOUR future!** This is our time to shine, our time to make a difference and our time to make an impact on those around us. We have to realize at some point that what we do is what **defines us**, and who we choose to be becomes our reality. I am passionate about the stories and journeys of all FFA members and hope to continue to grow together in service of our organization. Together we will step up, stand out and lead, because we are Oregon FFA.

Oregon FFA, it is with great pride and humbleness that I announce my candidacy for the
2013-2014 State Officer Team!

Sincerely,

Remington Frazier
