"Learning to Do, Doing to Learn, Earning to Live, Living to Serve"

It was once said, "I know the price of success: dedication, hardwork and an unremitting devotion to the things you want to see happen." This was said by a man by the name of Frank Lloyd Wright. In life you will want to be successful, if it's something different each day or something that is of long term determination. However, if you are not devoted to striving to accomplish what you are wishing to succeed in, you will not succeed.

Before I was old enough to join FFA, I was determined that I was going to be a chapter officer just like my oldest sister! I looked up to her due to the fact that she was going above and beyond and stepping out of her comfort zone. She was successful with what she had put all her hardwork, dedication and her time into.

I started at Perrydale my sixth grade year, but FFA wasn't offered unless you were a seventh grader. Once seventh grade came along, I found out I wouldn't be able to do FFA because the FFA advisor was only at school half days. All three years of middle school, I waited until I was able to join FFA. Freshman year started and I was enrolled in three agriculture classes! I was so excited to show all that I was able to and that I was willing to show my hardwork and dedication to FFA. It was the end of my freshman year and time for officer elections. This was my time to step up and out of my comfort zone! All freshman year I gave my hardest effort and all that I could to show that I was determined. I ran for an officer position and I couldn't have been more grateful for the fact that all my hard work had paid off. I was the 2016 - 2017 Perrydale FFA Chapter Sentinel! I became the Chapter Vice President my junior year, and the chapter Secretary my senior year.

This past summer, I showed my market lamb at the county fair. Two years prior, I also showed a market lamb. Yet, I was placing low in classes and I couldn't understand why... I decided it was time for a change. The end of my junior year, I was determined to work with my market lamb and try my hardest to push myself with that lamb to get him where I wanted him to be for fair. I am grateful to say that I was the Grand Champion sheep showman and overall Reserve Champion Showman!

Through all of my hardwork, dedication and devotion, I have shown that I can be successful in what I wish to succeed in. I have helped many others succeed in what they wished to by being there to help them and give them that drive they were lacking.

With great anticipation,

Tiffany Clark
Perrydale FFA Chapter Secretary

***"Striving for success without
hardwork is like trying to Harvest
where you haven't planted"***
