Hello Oregon FFA!

I was sitting in my freshmen advisory class when Ms. Dilson, the FFA Advisor, came in and said, “Hey freshmen, who wants to volunteer for The Great Oregon Steam Up!” Being a clueless freshman, I quickly said I could do it. Two weeks into Summer when The Great Oregon Steam Up started, my mom dropped me off and I couldn’t find the meeting site. Well, I started walking around everywhere looking for the group. 10 minutes after sweating in 90° weather, I found them. Let’s just say FFA and I had a rough start.

My first FFA event after that was the Capital District Leadership Camp. I had so much fun with my cabin mates as we stayed up late into the night. We went outside and started saying, “Mornin’ Neighbor!” to all of the people in the cabins around us. That lasted about five minutes when one of the advisors in the district told us to go to bed. The next morning at 6:00am, it started again, “Mornin’ Neighbor!” I think the state officers at the time weren’t too happy about that. The point is, in FFA, it doesn’t take long to make friends and memories that will last a lifetime.

Oregon FFA, in this letter, I am proud to announce my candidacy for the 2022-2023 State Officer Team. FFA has given me the opportunity to make friends, memories, and meet new people that have all left a huge impact on me. It is my turn to give back and serve the organization that has made me who I am and help make a positive impact on you.

Sincerely,

Uriel Aguilar Torres,
