"Learning to Do, Doing to Learn, Earning to Live, Living to Serve."

-FFA Motto

Oregon FFA,

When I was younger, one of my favorite things to do during the summer was to watch meteor showers with my dad and little brother. My dad would bring an old mattress into our backyard and we would lay on it just staring up into the sky. We would lay there for hours upon hours hoping to see shooting stars. Even if we didn't see a shooting star, I loved looking up and seeing the millions and millions of stars stretching across the night sky. Each one was different and unique, each shined in its own way. When all of those stars came together, they made up the beautiful night sky.

The stars I saw in the sky on those summer nights are a lot like the members of our amazing organization. We all are different and unique in our own ways. We each have something we are passionate about; for some it may be raising and working with livestock or for others it may be public speaking. Some of these passions don't even have to do with the FFA. They could be sports, art, music, no matter what it is - we all have one. Each member has a passion, and when they let that passion shine, they become stars in their own way. When we add all of these things together, we make up an amazing organization with amazing abilities.

In my four years of FFA, I have met countless individuals that have inspired me with their passions. They have shined their light on my life, and helped me find my own passion of serving this organization. I hope to help you find what it is you are passionate about and makes you shine. This is why I am excited to announce my candidacy for the 2019-2020 Oregon FFA State Officer Team. Oregon FFA, let's be stars!

Respectfully,

Riley Davis
Jefferson FFA President
Capital District President
