

[OREGON FFA

Farms for FFA

FFA is a premier leadership organization dedicated to growing students' leadership skills, personal development, and career success through agricultural education.

"A legacy should not only be a reflection of past accomplishments. A true legacy creates and inspires the next story of a life dedicated to the community of agriculture."

*~ Farms for FFA Supporter
since 2013*

Your gift to Oregon FFA is so much more than just a donation – it is an investment in the future of agricultural education and the leaders of tomorrow. By supporting our FFA members, you ensure that the values of hard work, dedication, and community continue to thrive for generations to come.

Join other Oregon farmers and become a part of our Farms for FFA program with a \$2,000 annual gift.
