PREMIER LEADERSHIP | PERSONAL GROWTH | CAREER SUCCESS

[OREGON FFA CORE VALUES

★ **Mission Driven - People Powered**

Mission before ego. We serve a purpose greater than ourselves. Our collective impact puts teammates, students, teachers, alumni, and agriculture at the center of what we do.

★ **We Show Up**

For each other, members, and teachers; in classrooms, board rooms, barns, budget meetings, and events - we lead with presence and heart.

★ **Rooted in Purpose - Open to Possibilities**

We hold ourselves and our team to high standards, striving for quality and innovation in daily work, events, programs, and operations.

★ **Integrity in Action**

We manage our collective reputation. We build trust by being honest, transparent, accountable, and professional. We do the right thing even when no one else is watching.

★ **Knowledge is Power**

We believe knowledge empowers growth and opportunity by actively fostering a culture of learning where everyone belongs and has access. We ensure all can thrive and contribute.

FFA is a nationally affiliated student organization designed for students who wish to be leaders in and pursue a career in some phase of agriculture: production agriculture, agriscience, agribusiness, or agricultural marketing. FFA is an integral part of the student's experience in the agriculture education classroom. This organization, since 1928, provides the vital connection between classroom study and real-world applications based directly on classroom instruction, leadership training, and career placement. FFA is an essential vehicle for helping students meet Oregon's diploma requirements and this event is a showcase for the Essential Skills and Career-Related Learning Experiences that FFA students have gained over the past year.

By following the FFA motto "**learning to do, doing to learn, earning to live and living to serve**" students are able to cross the bridge to a successful career in agriculture and/or natural resources. Classroom based instruction, work-based learning, and the student organization support the FFA delivery system. Students learn and develop technical skills and apply academic skills that range from formulating complicated feed rations for livestock to tissue culture of plant materials by taking advantage of classroom instruction based on applied learning units.

The Supervised Agricultural Experience (SAE) program offers students work based learning. FFA members, supervised by their FFA advisors, participate in projects selected from hundreds of options within project proficiency areas. This project is carefully monitored throughout the student's FFA career as he or she applies the skills learned in the classroom.

FFA activities provide the third support in the agricultural education bridge. The FFA provides an enjoyable educational opportunity for students to evaluate their technical and leadership skills as they step across the bridge to their future.

FFA, chartered in Oregon in 1929, is one of seven Career and Technical Student Leadership Organizations in Oregon leading the way for greater student achievement.

As an FFA member, advisor, alumni, school administrator, or parent you play a vital role in the future of Oregon youth through your participation in the Oregon FFA.

THE FFA CREED

*The creed was written by E. M. Tiffany,
and adopted at the 3rd National Convention of the FFA.
It was revised at the 38th Convention and the 63rd
Convention.*

I believe in the future of agriculture, with a faith born not of words but of deeds - achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so--for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

FFA ASSOCIATION

GUIDELINES TO REMEMBER FOR A SUCCESSFUL CONVENTION

FFA is a guest at the Deschutes Fair & Expo Center as well as in hotels and dining establishments during this State Convention. It is every member's and advisor's responsibility to ensure that we are portraying the best possible image to those around us.

Participants are expected to take every precaution necessary to ensure his/her own safety while participating in any Event.

While participating in the Event, managed by the Oregon FFA Association, we have established certain behavioral expectations that must be observed by all participants to maintain good standing with FFA and the participation at Events. You must abide by all rules and regulations established by FFA for participation in the Event.

- **As a representative of over 15,000 FFA members, I will dress appropriately in official dress during the Event**
- **I promise my attitude, conduct, and appearance will be such to reflect credit on my FFA chapter and the State Association.**
- **I promise to abide by the FFA Code of Ethics and the FFA Dress Code.**
- **I will not possess or use drugs, alcohol or tobacco at any time during the Event. I understand if I violate this rule, I will be sent home immediately at my own expense and my parent (s)/guardian (s) will be notified.**

FFA CODE OF ETHICS

FFA members conduct themselves at all times to be a credit to their organization, chapter, school, community and family. The FFA Code of Ethics was adopted by delegates at the 25th National FFA Convention in 1952 and revised by delegates at the 68th National FFA Convention in 1995.

As an FFA member, I pledge to:

- 1 Develop my potential for premier leadership, personal growth and career success.
- 2 Make a positive difference in the lives of others.
- 3 Dress neatly and appropriately for the occasion.
- 4 Respect the rights of others and their property.
- 5 Be courteous, honest and fair with others.
- 6 Communicate in an appropriate, purposeful and positive manner.
- 7 Demonstrate good sportsmanship by being modest in winning and generous in defeat.
- 8 Make myself aware of FFA programs and activities and be an active participant.
- 9 Conduct and value a supervised agricultural experience program.
- 10 Strive to establish and enhance my skills through agricultural education in order to enter a successful career.
- 11 Appreciate and promote diversity in our organization.

FRIDAY WORKSHOPS

“Your FFA Roadtrip!”

By Lauren Argotte, Indian FFA State Secretary

Sponsored by: Hampton Lumber & Family Forests

Friday @ 10 A.M. in HiLine Homes Hall: Eastlake

Description: What's the best FFA journey you've ever been on, or the one you're just starting? Hop in and take the wheel, because this road trip is all about your FFA story. We'll fuel up with the people who lift us up, navigate the twists and turns, and make memories that last long past the finish line. Along the way, we'll stamp our FFA passports to success and show that adventures, and FFA, are more fun when we travel as a team! Buckle up, and let's go on this road trip together!"

“Conflict without Chaos”

By Aubrey Gardiner, Washington FFA State Sentinel

Sponsored by: CHS Foundation

Friday @ 10 A.M. in Cascade Lakes South: Lava

Description: Conflict is unavoidable in leadership—but chaos does not have to be. In this high-energy, interactive workshop, members will explore how to address conflict productively, communicate effectively, and reach resolution without letting situations spiral out of control.

“Real Careers. Real Answers”

By Oregon Department of Agriculture Staff

Sponsored by: Oregon Department of Agriculture

Friday @ 10:30 A.M. in Cascade Lakes North Finals Hall

Description: Ever wanted to grill a Vet or a Scientist about what their job is really like? Our "Ask a Professional" panel is just that opportunity. We're bringing in the pros from across the industry to answer your questions about jobs in vet, communications, science, and more. Don't just read about a career—talk to the people doing it!

“Are We Ok? Agri-Stress, Mental Health and Wellness”

By Mel Butterfield, Heather Hastings and Youthline Youth Ambassadors

Sponsored by: CHS Foundation

Friday @ 11:30 A.M. in Cascade Lakes South: Lava

Description: Youthline brings to life a discussion on mental health and wellness, focusing on stress and coping strategies through an interactive discussion that is fun, energetic and full of sugar (candy provided!). Participants will begin with education on the topic and leave with a stronger understanding of the importance of identifying stressors, their causes and helpful ideas and resources to support themselves and those around them. One of the strongest ways to reduce stigma around a topic is to educate. Mental health is one of them and we invite everyone to join us in an open discussion to address it.

FRIDAY WORKSHOPS

“Success that Matters”

By Jael Cruikshank, National FFA Western Region Vice President

Sponsored by: Central Oregon Living

Friday @ 12 P.M. in Cascade Lakes North Finals Hall

Description: What if achieving your goals still left you feeling empty? In a world where many simply chase titles, trophies, and achievements, it is easy to be consumed with looking successful. By Evelyn Tedrick, Oregon Ag in the Classroom

Sponsored by: Fellowship of Christian Farmers

Friday @ 2 P.M. in HiLine Homes Hall: Elk

Description: Attend Oregon Agriculture in the Classroom's workshop to learn more about this year's Spring Literacy Project! This story is as engaging and comedic as it is insightful into the work and planning it takes to be a berry farmer! The follow-up activity is sure to reinforce themes learned in the book. In an exciting spin off of the classic game, 'Candy Land', students will become a berry farmer in Oregon, with the goal of growing their berries from seed to harvest! Students will use the Plan, Plant, Care, and Enjoy strategies to help them finish.
