

2025

[OREGON FFA

A Year in Review

Serving as a Foundation Board Member for the past number of years, I have witnessed firsthand the extraordinary reach of Oregon FFA. In 2025 alone, nearly 16,000 students found their voice, their confidence, and their purpose through this organization. That impact did not happen by chance. It is the result of unwavering support from dedicated advisors, committed alumni, generous partners, and countless advocates who believe in the power of agricultural education. Together, we have built leaders, strengthened communities, and opened doors of opportunity. Oregon FFA stands as proof that when people invest in youth, the return is measured not just in numbers, but in lives changed.

TJ Colson
Colson Land & Cattle
Oregon FFA Foundation Chair

As we close out 2025, I am filled with gratitude for all that has been accomplished across Oregon FFA. This year brought remarkable growth, strong partnerships, and countless moments of student success. None of this would be possible without our agriculture teachers, supporters, and alumni whose steady commitment lifts our members every day. Thank you for creating opportunities, opening doors, and believing in the potential of every student who wears the blue jacket. Your work strengthens our communities and shapes the future of Oregon agriculture.

Kjer Kizer
Oregon FFA CEO
